Upon my arrival at the above address I met Harry Dosbie of 1214 Arlington ave. who stated to me that the injured boy was Jack Hawkins age 16 of 1219 Arlington ave this boy accompanied by Earl Mark age 14 of 1378 Park ave were in the basement of the Hawkins Home, they had a 22 Cal. Rifle which was not in good working order, Hawkins was in doubt as to whether the bullets were bad or the Rifle, so he placed a 22 Cal. bullet in a vice and struck it with a large plane using the point of a file on the edge of the cartridge, it exploded striking Hawkins in the left eye. He was taken to the Hospital by Mrs Dosbie and examined by Dr. Cramer who told me that in his opinion the eye was out. Xrays would be taken at once to determine if the spent Cartridge was in the boys head. I examined the cellar of the Hawkins home brought file, Cartridges and Rifle to Headquarters.

I talked with Earl Clark who stated that he was standing about six feet away from Hawkins when the accident happened. Mrs Hawkins who was having her dinner in the Kitchen accompanied Mrs Josbre to the Hospital with the injured boy =
